RE: Loan #1000105

To Whom It May Concern:

Can you please extend my lease on a month to month basis for the next two to six months? The Dodge Journey is my only means of transportation. In addition I do not qualify for any finance offers as a result of an ongoing chapter 13 case.

I need this vehicle to transport my three young children on a daily basis. We live in a rural area & public transportation is not an option.

Please allow me to extend my lease on a month to month basis until I am able to find another form of transportation.

Thank you for your time & consideration.
